CONCEPT / LOCAL PROTOTYPE

Cognixoft Companion

Organize daily plans, capture questions and keep the individual's voice in view.

Who it is for

Individuals, family caregivers and supporting organizations

What the preview lets you explore

- Build a daily plan
- Keep an appointment-question notebook
- Download a personal planning summary

How it differs

A personal planning view. Everyday guides someone through the individual steps of a routine.

Personal planning demonstration. No monitoring, emergency response or real sharing. Fictional examples. Not validated for clinical use.

Next development step: Test accessibility, agency and sharing preferences with intended users and caregivers.
